

Egyptian Venous Forum

The forum founded by 20 senior vascular surgeons in a meeting held in Alexandria ,Egypt in November 2006.The group aimed to have a better understanding of venous diseases regarding their pathology and management, sharing ideas and knowledge with different specialties on evidence-based discussions and background, transmit data to junior phlebology fellows and conduct activities to the community.

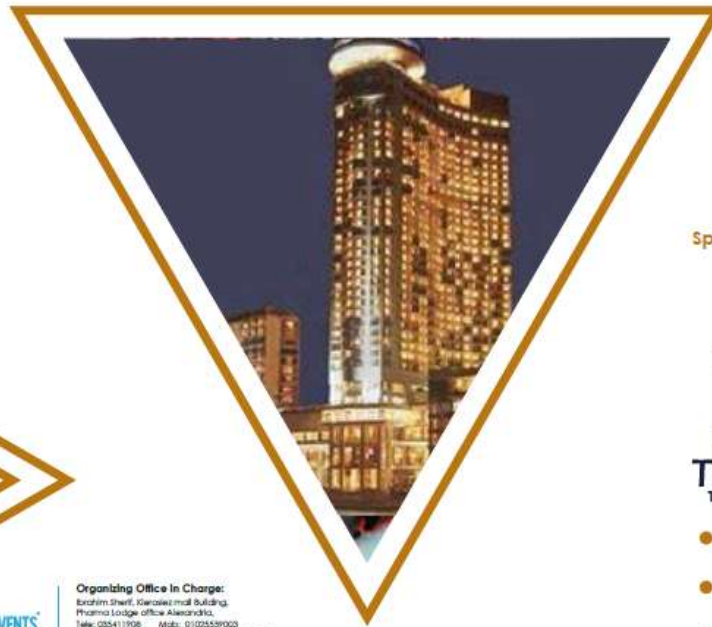

I invite you to :
the 9th International Congress of
Venous Forum
5-7 October 2022, Cairo-Egypt
