

**help your company to build
a better world through
technology**

WHO WE ARE

Qbo is born to put 20+ years of experience at your service, our mission is to build totally custom platforms based on most valuable technology like

.NET, Azure, PHP and Flutter.

MY HYBRID EVENT

EXCLUSIVE

Unique product for medical
congresses

DESIGNED AROUND DOCTORS

Designed by vWin
Foundation specifications

TESTED

Successfully tested in
v-Winter Dubai 2022

BIRDEYE

MARKET GAP

Take control of your hybrid event using a variety of platforms such:

- ZOOM
- TEAMS
- YOUTUBE
- ...

COSTS

Lack of appropriate tools make every hybrid event difficult to manage

CUSTOMERS

Scientific society,
Pharmaceutical company,
Congresses organizers

USABILITY

A simple but complete layout will make attendees happy.
MyHybridEvent is fully mobile compliant

ADVANTAGES

- Simply to use
- Quick page loading
- Mobile friendly

GIVE A DEEPER LOOK

EVENT PAGE

WELCOME VIDEO

Give a warm welcome to the attendees with a live or recorded video

SPONSOR SECTION

Give to your sponsors the visibility they deserve with logo and weblinks to a personalized page

CONGRESS ROOMS

Manage more than one room a time and give the access to the recorded videos once the event is over

The screenshot shows a web interface for a hybrid event. At the top, there are navigation links: Home, Attendees, Faculty, Meeting BAG, and Logout. The main content area is titled "live from EXHIBITORS area" and features a grid of live video feeds from various exhibitors, including logos for Alzocoma, Medtronic, Med, Philips, Servier, and Sigvaris. To the right of the video grid is a "VIDEO Chat" section with icons for Wayne Enterprises, ABC, Fakery, and Generic Company, along with buttons for "SEE ALL SUPPORTERS" and "WRITE TO ALL SUPPORTERS".

Below the video feeds, there is a section for sponsors categorized by tier:

- Platinum:** Wayne Enterprises logo.
- Gold:** Generic Company and Fakery logos.
- Silver:** YourBrand logo.

Underneath the sponsor section is the "LIVE from MEETING ROOMS area", which includes a "SCIENTIFIC PROGRAM" section with three blue door icons labeled "SCHOOL", "CONGRESS", and "PRACTICAL". Below that is a "RE-BROADCASTED from MEETING ROOMS area" with six orange door icons labeled "ALZOCOMA session", "MEDTRONIC session", "MED session", "PHILIPS session", "SERVIER session", and "SIGVARIS group session".

At the bottom of the page, there is a "CONNECT with the ATTENDEES" section with an icon of two people shaking hands. The footer contains the ".bo" logo, the text "QBO Srls, we help your company to build a better world through technology", the website "QBOlive.com", a "Mail Us" link, and a copyright notice: "© 2022 Copyright: QBOlive.com".

With MyHybridEvent you can easily create attractive sponsorship program

ABOUT US
Focus on Vascular Therapy
70 years of Alfasigma corporate history has developed a solid drugs' pipeline. Sulodexide is a heparin-like therapy with indications in venous and arterial diseases with thrombotic risk. Branded as Vessel in Italy, Aterina in Spain and Vessel Due F all over the world, is an efficacious and safe treatment for Chronic Venous Disease and re-thrombosis prevention w.o. bleeding risk increase. Sulodexide is approved in over 30 countries for venous and arterial diseases with thrombotic risk and diabetic microangiopathies (eye, foot, kidney). Moreover, Sulodexide is recommended in international guidelines for chronic venous ulcer healing (UP, ESWO 2015, EAP 2018), for Venous Thromboembolism recurrence (ESC 2019) and post thrombotic syndrome prevention (EVF 2020).
